"The beautiful game"

**Educational
Tours**

STEP 1

Place a ball (a penny will work) in the middle of the field.

STEP 2

Opponents take turns asking each other vocab words.

STEP 3

Move the ball forward one spot each time you get a word right.

STEP 4

After a goal is scored, return the ball to midfield.

STEP 5

First side to score three goals wins!

You can play the game using any vocabulary words. You can also draw the field on the chalkboard and play as a class.
